November 2009

We had good weather for the society day at East Herts GC, see below for the winners and the Pro's score!!

I am sure you all would have seen by now that we are offering a junior membership at Old Joe's for £10, we want to promote junior golf as much as possible and this is a good start, so if any children in your lives want to play golf then please sign them up.

Our first sales agent has been very successful in selling the Putt Easy into golf professionals in the Essex/North London area, we hope to have a few more agents on board covering the rest of the country soon.

We have re seeded the par 3 course at Heydon, so with a bit of luck it will be open in the spring/summer.

Target Golf

Our first target golf night happened on Monday night, a great performance from Rob Bowles has put his team into an early lead. We still have places available if anyone would like to participate.

Old Joes

Ladies Morning Every Wednesday 10am -11am, OGA members £5, Non members £6

Ladies Afternoon Every Thursday 1-2pm. £5 OGA member £6 NON

THESE WEEKLY GROUP LESSONS ARE OPEN TO ALL, NO NEED TO BOOK JUST TURN UP AND IMPROVE, EVERYONE WELCOME

Society Day – East Herts GC

A good turn out to play this lovely course and we had the weather with us as well to help the scoring. Par 3 champ was David Jones with 12 points, this was a fantastic score as he was the only golfer on the day to be under par for the par 3's. The winner with 37 points was Leo Taylor who even managed to triple bogey the last for a gross 76, nice effort but you still receive a handicap cut next time. The pro's score some how was a 69. Next day will be arranged shortly.

Night Golf – Old Joe's Thursday 19th November

We still have 5 places left for this fun evening. A lot of you from Heydon have been interested in having one at Heydon, and the answer is yes Saleem wants to do one in the new year, so look out for dates.

Tip Of The Month

After playing at East Herts it was evident to see that most golfers fail to truly commit to the shot they are about to hit, so my tip this month is for you to be able to say that every shot you hit on the course you trusted 100% and tried your hardest to strike the ball as well as possible regardless of where it goes.
